[Counterparty name]

[Counterparty's address]

Dear Sirs

EMIR Delegated Transaction Reporting Agreement

This EMIR Delegated Transaction Reporting Agreement (this “**Agreement**”) is made as of [date] between (a) NatWest Markets Plc and/or NatWest Markets N.V. (“**we**”, “**us**” or “**NatWest Markets**”) and (b) [Counterparty name] and each of its Affiliates (if any) listed in Annex 1 to this Agreement (“**you**” or the “**Counterparty**”), together the “**Parties**”.

You have entered into and/or intend to enter into derivative transactions with us and pursuant to Article 9 of EMIR (as defined below), you and we each have an obligation (the “**Reporting Obligation**”) to report the details of those transactions, and of any modifications or termination thereof, to a trade repository recognised under EMIR (or to ESMA if no trade repository is available).

Under Article 9(1f) of EMIR, one party that is subject to the Reporting Obligation may delegate the submission of the required transaction report in its entirety, and the RTS (as defined below) makes clear that such delegation may be to the counterparty.

By signing and returning this Agreement, you confirm that you wish to appoint us to perform such reporting obligations on your behalf in accordance with the terms of this Agreement. For the avoidance of doubt, our delegated reporting service covers transactions between you and us but it does not cover transactions between you and any affiliate of ours, which is not itself subject to the Reporting Obligation under EMIR.

Therefore, you and we hereby agree as follows:

1 Appointment of Reporting Entity

- 1.1 You hereby appoint us to provide the Reporting Services (as described in Clause 2.1 below) in accordance with this Agreement and we hereby accept such appointment.
- 1.2 Subject to Clause 1.3 below, our appointment under this Agreement shall be effective upon execution of this Agreement, and such appointment shall continue until terminated in accordance with Clause 11.
- 1.3 We shall not be obliged to begin reporting any Relevant Transactions on your behalf until all steps that we consider necessary for your on-boarding to our reporting service have been completed to our satisfaction, including, but not limited to receipt of your Client Counterparty Data which must include a valid Legal Entity Identifier (“**LEI**”), confirmation of the list of Relevant Transactions (if applicable); and receipt of satisfactory evidence of the relevant signatory’s authority to execute this Agreement on your behalf.
- 1.4 Our obligation to begin reporting the Relevant Transactions on your behalf shall commence on the day that we notify you (which may be via email) that your on-boarding is complete (the “**Delegated Reporting Start Date**”).

2 The Reporting Services

- 2.1 We agree to report the following events within the time frames specified:
- A. We shall report the execution, modification or termination of a Relevant Transaction that occurred on or after the Delegated Reporting Start Date by the end of the working day following such execution, modification or termination; and
 - B. We shall report the execution of any Relevant Transaction that was entered into prior to, and was still outstanding on, the Delegated Reporting Start Date as soon as reasonably practicable,
- (together, the “**Reporting Services**”).
- 2.2 To avoid duplication, if you have previously reported any of the Relevant Transactions referred to in Clause 2.1(B) to a trade repository, you shall remove your reports for such Relevant Transactions as soon as possible following the Delegated Reporting Start Date and, in any event, by the date to be agreed between you and us.
- 2.3 In respect of each Relevant Transaction within the scope of the Reporting Services, we will submit a transaction report containing (i) the minimum details prescribed in the RTS and (ii) the required counterparty data (which needs to be reported both in relation to you and us) and common data (which needs to be reported in relation to each derivative contract between you and us) prescribed in the Reporting ITS (each a “**Transaction Report**”), to a Relevant Trade Repository, provided that we shall only report valuation and collateral information for Relevant Transactions in accordance with Clause 4 below.
- 2.4 We may decide not to submit a Transaction Report in respect of any Relevant Transaction if we reasonably consider that we do not have sufficient information to do so, that any of the information that we have is incomplete, inaccurate, or not compliant with any requirements under EMIR, or where any reporting may breach any law or regulation.
- 2.5 We will use our reasonable endeavours to:
- A. Notify you when we decide not to make a Transaction Report in accordance with the foregoing; and
 - B. Work with you to obtain any relevant information necessary to make the Transaction Report as soon as reasonably practicable.
- 2.6 All Transaction Reports will be made on a reasonable efforts basis and are conditional upon our receipt of the requisite Client Counterparty Data (and any other data that may be required) to enable us to make such reports in a timely manner, and your explicit consent to the terms of this Agreement.
- 2.7 We may delegate any of our obligations under this Agreement to an affiliate or other third party (the “**Third Party Service Provider**”), which shall perform obligations in respect of reporting in accordance with and otherwise on the terms set out herein. We shall use reasonable care in the selection of any Third Party Service Provider, in accordance with our internal policies, and you authorise us to make such appointment without your further consent.
- 2.8 We will generate a Unique Trade ID (the “**UTI**”) for each Relevant Transaction. Your appointment of us under this Agreement to report Relevant Transactions on your behalf constitutes your agreement to each UTI so generated and you accept that each such UTI will form the Trade ID for the Relevant Transaction.

3 Client Counterparty Data

- 3.1 You agree to deliver to us the Client Counterparty Data and any other information that we may request to enable us to complete the relevant fields in Table 1 of the Reporting ITS. You will provide us with the Client Counterparty Data either via our dedicated website, by emailing us the completed access request form to the following email address: EMIRRegulation@Natwestmarkets.com or by such other means as we may advise, as soon as reasonably practicable after entering into this Agreement.
- 3.2 You agree to periodically review your Client Counterparty Data (at a minimum once per year) and to notify us immediately of any change to your Client Counterparty Data, whether on a per transaction basis or more generally. You acknowledge that certain elements of the Client Counterparty Data may change frequently on a per transaction basis and you accept responsibility for reviewing any default data values regularly and for providing us with up to date and accurate information in

NatWest

respect of all required fields. You accept that provision of accurate data is your sole responsibility and that we have no duty in this regard whether to you or to any third party.

3.3 You agree to ensure that your LEI remains valid during the term of this Agreement.

4 Valuation and Collateral Data

4.1 If you are a FC or an NFC+, you are required under EMIR to provide information in fields 17-20 ("**Valuation Data**") and, if applicable, fields 21-35 ("**Collateral Data**") of the Counterparty Data in Table 1 of the Reporting ITS, in each Transaction Report. As part of the Reporting Service, we will only submit Valuation Data and Collateral Data (if applicable) for the Relevant Transactions that you have specified in Annex 3 and the reporting of this Valuation Data and Collateral Data will be subject to the additional terms and conditions in this Clause 4 and the additional representations and warranties in Clause 5.

4.2 In respect of each Relevant Transaction that is not cleared through a CCP:

- A. The Valuation Data that we report on your behalf will be based on our own valuation; and
- B. The Collateral Data that we report on your behalf will be based on our record of the collateral portfolio that you have posted to us (in the currency that we, in our absolute discretion, deem appropriate).

4.3 In reporting Collateral Data, we will use a Collateral Portfolio Code generated by us in all circumstances.

4.4 As of the date of this Agreement, our valuation models for OTC derivatives are described in the Notes to the most recent Consolidated Accounts of NatWest Group but these models may change from time to time. If, in our reasonable opinion, there is a significant change to any key characteristic or input for our valuation models which occurs between publications of NatWest Group's Consolidated Accounts and you request us to provide you with details of such changes, we will use reasonable efforts, but shall not be obliged, to do so.

5 Representations, warranties and acknowledgements

5.1 Each of us and you represents and warrants to the other that it has the requisite power and authority to execute this Agreement and to perform the relevant obligations hereunder.

5.2 Each of us and you represents and warrants to the other that entering into this Agreement has been duly authorised by it and that the person signing this Agreement on its behalf has the appropriate authority to bind it under this Agreement.

5.3 You, as the party executing this Agreement, represent that you have been duly appointed by each Affiliate to act on its behalf and have the requisite power and authority to bind each Affiliate listed in Annex 1 to this Agreement.

5.4 You remain solely responsible and liable for (i) submission of all data subject to the Reporting Obligation which comprises Client Counterparty Data and (ii) compliance with your own Reporting Obligation generally and you acknowledge and agree that any submission by us of data required to make Transaction Reports is made with a view to facilitating your reporting of that data pursuant to the Reporting Obligation and is independent of any Reporting Obligation that we may be subject to and that regulatory liability for the accuracy and completeness of Transaction Reports rests with you notwithstanding delegation of submission to us.

5.5 The Reporting Obligation and accordingly the Reporting Services provided by us remain at all times subject to change as a result of further regulatory developments and guidance.

5.6 You acknowledge and agree that we will make certain assumptions about and place particular interpretation on both the transactions that are in scope for the purposes of the Reporting Obligation under EMIR and several of the fields required to be reported under Tables 1 and 2, which we believe to be in line generally with the derivatives industry but which may not reflect your own views.

5.7 Specifically with respect to the reporting of Valuation Data and Collateral Data on your behalf pursuant to Clause 4, you acknowledge and agree that:

NatWest

- A. It is your responsibility to satisfy yourself as to any legal, regulatory or internal requirements that you must meet in order to appoint us to report Valuation Data and Collateral Data on your behalf;
- B. It is your responsibility to determine the nature and level of information you may require, or procedure you must follow, to approve the Valuation Data produced and reported by us and nothing in this Agreement shall give rise to or imply any duty owed by us to you in this regard;
- C. Our reporting of Valuation Data and Collateral Data on your behalf in accordance with Clause 4 is not intended or designed as a substitute for any obligation you may have under any applicable law or regulation to (i) value your Relevant Transactions; (ii) post (or receive) collateral in respect of any Relevant Transactions or to carry out any valuation in connection thereto; or (iii) maintain controls, processes, policies or internal governance arrangements relating to any matter that is the subject of this Agreement;
- D. Our valuations, as included in the Valuation Data, may be either mark-to-market or mark-to-model in accordance with Article 11(2) of EMIR;
- E. It is your sole responsibility to keep our valuation models, as described in Clause 4.4, under review;
- F. It is your responsibility to review the Valuation Data and Collateral Data that we report for you and to rectify any fields as you feel necessary and we are under no obligation to amend any submissions on your behalf; and
- G. We shall submit the Valuation Data and the Collateral Data on your behalf for the sole purpose of performing our obligations under this Agreement and that any Valuation Data and Collateral Data submitted to a Relevant Trade Repository:
 - i) Is without prejudice to any other valuation that we may be entitled to carry out for any other purpose. In particular (and without limitation), we may, where it is permitted to do so, utilise valuations unrelated to those comprised in the Valuation Data for purposes of calling or returning collateral or closing out or replacing any Relevant Transactions, or for the purposes of portfolio reconciliation;
 - ii) May not represent a price at which you or us, or any of our affiliates, would agree to trade, replace or terminate a Relevant Transaction, whether or not pursuant to its terms;
 - iii) Does not constitute a bid or offer, or a solicitation of a bid or offer, to initiate or conclude any transaction and any actual bid or offer price may differ substantially from the Valuation Data;
 - iv) Is not intended to imply that an actual trading market exists for that transaction or that it is appropriate to assume (for accounting or other purposes) that such a trading market exists;
 - v) May not be complete or accurate and you acknowledge that we do not, and will not, make any representation or warranty with regard to the Valuation Data and Collateral Data, its completeness or its accuracy, or assume responsibility for losses or damages arising in connection with your use of or reliance on the Valuation Data and Collateral Data; and
 - vi) Does not oblige us to make our internal models available to you.

6 Consent to submission and no duplication

- 6.1 By your entry into this Agreement, you consent to the disclosure of the Client Counterparty Data associated with any Relevant Transaction to:
 - A. Any legal or regulatory authority whose rules or requirements with respect to disclosure are applicable;
 - B. A registered or recognised trade repository selected by us and any related third party service providers (which may entail data access by regulators and other authorities);
 - C. Any agent or affiliate and its respective head office and/or branches; and
 - D. Any person or entity that provides services to us relating to the Reporting Obligation.
- 6.2 You acknowledge and agree that:

NatWest

- A. The consent provided by you in Clause 6.1 above constitutes effective waiver, with respect to such disclosure, of any existing privacy or confidentiality obligation owed by us to you, whether arising under law, contract, banking secrecy or otherwise, including, without limitation, any contractual obligations pursuant to any Terms of Business, ISDA Master Agreement and/or any other documentation or arrangement under which we enter into Relevant Transactions with you, and is for our benefit; and
 - B. The Counterparty Client Data provided by you to us may be transferred to and held in other countries that may not provide an equivalent or adequate level of protection for your personal data that you may be otherwise entitled to.
- 6.3 Pursuant to Article 9(1e) of EMIR, both you and we are required to ensure that Transaction Reports are made without duplication. Consequently, on the basis of your consent to our making Transaction Reports in relation to Relevant Transactions on your behalf, you also hereby agree not to submit independent transaction reports or appoint any other third party to do so on your behalf in respect of the Relevant Transactions, in order to avoid such duplication. Notwithstanding the foregoing, you acknowledge that you are still required to submit transaction reports in relation to derivative transactions not covered by this Agreement and in relation to any derivative transactions you may carry out with other counterparties.

7 Liability and Indemnity

- 7.1 We will make Transaction Reports on a reasonable efforts basis and without liability for any loss, cost, charge, fee, expense, damage or liability, including, for the avoidance of doubt, any regulatory penalty or fine, loss of profit, revenue, business or goodwill (whether direct or indirect) resulting from any act or omission made in connection with this Agreement, other than to the extent arising directly from our (or our agents') gross negligence, wilful default or fraud.
- 7.2 We have no obligation in respect of, and accept no liability for, verifying the validity or accuracy of the data which you provide to us and on the basis of which part of each Transaction Report will be formed.
- 7.3 We shall not be liable for any partial or non-performance of the Reporting Obligation by reason of any technical error, breakdown or failure of transmission, communication or computer facilities where such technical error, breakdown or failure is outside of our (and/or our affiliates' and/or agents') control, provided that we shall use reasonable efforts to correct, repair or retransmit any such technical error, breakdown or failure as soon as reasonably practicable after having become aware of such technical error, breakdown or failure.
- 7.4 Any information provided to the Relevant Trade Repository for the purposes of complying with the Reporting Obligation is provided without prejudice to the rights, powers, remedies and privileges provided by law in relation to any present or future dispute between you and us in relation to the information provided that failure by either you or us to take any actions required by this Agreement shall not constitute an event of default, howsoever defined, under the trading documentation between you and us.
- 7.5 Any reporting of Valuation or Collateral Data by us under this Agreement will not constitute acceptance by us of the adequacy or sufficiency of the amount, value or type of collateral you provide to us in respect of the Relevant Transactions.
- 7.6 Where we report Valuation and Collateral Data in accordance with Clause 4.2, we accept no responsibility for the accuracy of such data obtained from the CCP.
- 7.7 We will not make copies of Transaction Reports available for your review and you must make arrangements directly with the Relevant Trade Repository for direct access to its systems in order to review any Transaction Reports submitted by us on your behalf. You will promptly review all Transaction Reports accessed by you through the Relevant Trade Repository and shall notify us immediately of any inaccuracies in any Transaction Report or of any amendments which may be required to any Transaction Report. You agree that you will not amend any Transaction Report submitted to a Relevant Trade Repository without our agreement.
- 7.8 We are not acting as fiduciary for, or an adviser to, you in respect of this Agreement.
- 7.9 You will indemnify each of us against any loss, cost, expense or liability (including reasonable legal fees) incurred by or awarded against any of us in connection with provision of trade reporting services to you under this Agreement (including, without limitation, any action, claim, investigation or proceeding to preserve or enforce rights) other than arising from our gross negligence, fraud or wilful default.

8 Errors and disruption to reporting

- 8.1 We will use reasonable endeavours to promptly notify you of any material submission failure or rejection by the Relevant Trade Repository in relation to a Transaction Report, which is caused by inaccurate or incomplete Client Counterparty Data (“**Data Defect**”) supplied by you, and you agree that you will immediately upon receipt of notice remedy such Data Defect.
- 8.2 We will routinely monitor any feedback or messages received from the Relevant Trade Repository with respect to the Transaction Reports and we will use reasonable efforts to notify you of any continuous or consistent omissions, errors, inaccuracies or submission failures which may, in our reasonable opinion, have a material impact on your on-going compliance with the Reporting Obligation.
- 8.3 If we become aware of the occurrence of any omission, error, disruption event or circumstance that would, in our reasonable opinion, prevent, hinder or delay our ability to submit a Transaction Report on your behalf (a “**Disruption Event**”), we will use reasonable endeavours to promptly resolve such Disruption Event and we may temporarily cease to submit Transaction Reports under this Agreement while the Disruption Event continues. We will also promptly notify you of any Disruption Event which may, in our reasonable opinion, have a material impact on your on-going compliance with the Reporting Obligation.
- 8.4 In addition to the provisions of Clause 8.3 above, if we are prevented, hindered or delayed from or in performing any obligation under this Agreement as a result of a Force Majeure Event, our obligations hereunder shall be suspended for so long as that Force Majeure Event remains.
- 8.5 We shall not be liable for any failure to notify you in accordance with Clauses 8.1-8.4 above.
